Unit 4 - Field Applications of Architectural Drafting		
	Pupil Edition Page References	Teacher Edition Page References
1. Integrate business/industry experiences with the drafting program.		
2. Investigate career opportunities related to general drafting.	739–746	

- All competencies and objectives must be listed even though you may not correlate to the competencies and/or objectives. Please write "NA" in the page reference if there is no correlation.
- If you have an annotated teacher edition (ATE), then you may correlate to that one book as it contains both the pupil and teacher edition. Please indicate that you are correlating to the ATE.
- If you have a series of books that are being submitted, please do a correlation for each book. Each book's correlation should stand-alone.
