SBOE Adopted!

Committed to Texas!

Dear Health and Physical Education Teachers, Administrators, and SHAC Members,

The Texas State Board of Education has named G-W as the only approved publisher for Proclamation 2022!

The G-W team is excited, proud, and ready—we want you to see first-hand why these are **the only programs that the state has selected for adoption:**

- *Texas Health Skills for Middle School* for Grades 6 and Grades 7-8
- *Texas Health Skills for High School* for Health I and II
- *Texas Fitness and Wellness Skills* for Lifetime Fitness and Wellness Pursuits

In Texas, all materials undergo an extensive and detailed adoption review process. After listening to input from various stakeholders in the community, schools, and the Texas State Board of Education, G-W incorporated feedback from the reviews into our resources to meet your needs. In addition, G-W's programs support House Bill 1525 and Senate Bill 9 by separating Health Education materials from the "Opt-In" topics contained in the legislation, so that districts can easily provide access to Opt-In topics when a parent or guardian has provided permission. The table below provides a breakdown of the separated Companion Text content:
