**Idaho Nursing Assistant Core Curriculum 2013**

***The Nursing Assistant: Essentials of Holistic Care, Brief Edition*** presents key concepts and skills students need to become nursing assistants. With a sharp focus on holistic care, students learn how to provide safe, effective, and compassionate care, while integrating and considering residents' bodies, minds, and spirits. This concise text, **developed for classes with shorter hour requirements**, is accessible for students of all levels. Richly illustrated **step-by-step procedures** teach students how to perform the tasks required of nursing assistants and prepare them to pass the certification competency examination. The text and its supplements include **abundant reinforcement activities** and practice questions for the certification competency examination, challenging students to apply what they have learned and preparing them for success when taking the exam. Detailed **photographs, illustrations, and videos** bring concepts to life, helping students visualize and understand body positions, care procedures, and the structure of the human body.
