<b>CURRICULUM REQUIREMENTS</b>	<b>CORRELATING PAGES</b>	<b>CHAPTER, SECTION, MAIN TOPIC</b>
<b>Introductory Curriculum</b>		
Communication and Interpersonal Skills	255–256	Ch 11, Communication and Caring, 11.1, What is Holistic Communication
	256–258	Ch 11, Communication and Caring, 11.1, What Communication Devices Are Used in Healthcare?
	258–260	Ch 11, Communication and Caring, 11.1, What Are Barriers to Effective Communication?
	260–262	Ch 11, Communication and Caring, 11.1, How Can Communication Be Improved?
	263–264	Ch 11, Communication and Caring, 11.2, What Are Interpersonal Relationships?
	264	Ch 11, Communication and Caring, 11.2, How Are Professional Relationships Built and Maintained?
	264–265	Ch 11, Communication and Caring, 11.2, What Are Caring Skills?
	269–270	Ch 11, Communication and Caring, 11.3, What Strategies Can Be Used to Manage Anger?
	270–271	Ch 11, Communication and Caring, 11.3, How Can Conflict be Resolved?
	279–281	Ch 12, Appreciating Diversity, 12.2, What Is Cultural Humility?
	281–282	Ch 12, Appreciating Diversity, 12.2, How Can a Nursing Assistant Integrate Cross-Cultural Communication into Care?

Infection Control	145	Ch 8, Infection Prevention and Control, 8.1 What Are Microorganisms and Pathogens?
	145–146	Ch 8, Infection Prevention and Control, 8.1, What Are the Types of Microorganisms?
	146–147	Ch 8, Infection Prevention and Control, 8.1, What Are the Barriers to Infection?
	148	Ch 8, Infection Prevention and Control, 8.1, What Increases the Risk for Infection?
	148–149	Ch 8, Infection Prevention and Control, 8.1, What Are Different Types of Infection?
	149–150	Ch 8, Infection Prevention and Control, 8.1, What Is the Chain of Infection?
	150–151	Ch 8, Infection Prevention and Control, 8.1, How Do Communicable Diseases Spread?
	151	Ch 8, Infection Prevention and Control, 8.1, How Do You Know if Someone Has an Infection?
	153	Ch 8, Infection Prevention and Control, 8.2, What Is Asepsis?
	153–164	Ch 8, Infection Prevention and Control, 8.2, What Are Standard Precautions?
	165–168	Ch 8, Infection Prevention and Control, 8.2, What Are Transmission-Based Precautions?
Safety and Emergency Procedures, including the Heimlich maneuver	57–58	Ch 4, Safe Practice, 4.1, What Does Safety Mean in Healthcare?
	58	Ch 4, Safe Practice, 4.1, How Can You Recognize a Culture of Safety?
	58–60	Ch 4, Safe Practice, 4.1, How Do Nursing Assistants Ensure Safety?
	60–61	Ch 4, Safe Practice, 4.1, What Work Hazards Affect Nursing Assistants?
	61	Ch 4, Safe Practice, 4.1, What Are Body Mechanics?
	61–63	Ch 4, Safe Practice, 4.1, How Are Proper Body Mechanics Used?

	65	Ch 4, Safe Practice, 4.2, What Causes Falls?
	65–67	Ch 4, Safe Practice, 4.2, How Can Falls Be Prevented?
	67–68	Ch 4, Safe Practice, 4.2, What Should Be Done if a Resident Falls?
	76–77	Ch 4, Safe Practice, 4.4, How Should a Nursing Assistant Respond to a Fire?
	78–79	Ch 4, Safe Practice, 4.4, What Are Electrical and Chemical Hazards?
	86–88	Ch 5, Emergencies and Disasters, 5.1, What First Aid Guidelines Are Important?
	88–91	Ch 5, Emergencies and Disasters, 5.1, What is Basic Life Support?
	91–93	Ch 5, Emergencies and Disasters, 5.1, How Should Chest Pain, Heart Attacks, and Strokes Be Handled?
	93–94	Ch 5, Emergencies and Disasters, 5.1, What is Anaphylaxis?
	94–95	Ch 5, Emergencies and Disasters, 5.1, What is the Best Method for Responding to Burns?
	95–96	Ch 5, Emergencies and Disasters, 5.1, What Should Be Done if Someone is Poisoned?
	96–99	Ch 5, Emergencies and Disasters, 5.1, What Should Be Done If Someone Is Choking?
	99–100	Ch 5, Emergencies and Disasters, 5.1, What Happens When a Person Faints?
	100–101	Ch 5, Emergencies and Disasters, 5.1, What is the Appropriate Way to Respond to a Seizure?
	100–103	Ch 5, Emergencies and Disasters, 5.1, What is a Hemorrhage and How Can it Be Controlled?
	105–106	Ch 5, Emergencies and Disasters, 5.2, What is the Best Way to Respond to a Disaster?
Promoting Residents' Independence	111	Ch 6, Holistic Care, 6.1, What Are Levels of Care?

	<p>113</p> <p>135–136</p> <p>217</p> <p>329</p> <p>337–338</p> <p>415–419</p> <p>466</p> <p>469–470</p> <p>528</p> <p>532</p>	<p>Ch 6, Holistic Care, 6.1, What Are the Different Types of Care Delivery?</p> <p>Ch 7, Human Behavior, Needs, and Work-Life Balance, 7.2, How Does the Mind-Body-Spirit Connection Influence Caregiving?</p> <p>Ch 10, Diseases, Conditions, and Pain, 10.1, How Can You Help Yourself and Residents Achieve Wellness?</p> <p>Ch 14, Mobility, 14.3, What Are Rehabilitation and Restorative Care?</p> <p>Ch 14, Mobility, 14.3, What Assistive Devices Help Achieve Independent Living?</p> <p>Ch 18, Personal Hygiene, 18.1, What Are Personal Hygiene and Grooming Responsibilities?</p> <p>Ch 19, Health Eating and Nutritional Challenges, 19.2, Adaptive and Assistive Eating Equipment</p> <p>Ch 19, Health Eating and Nutritional Challenges, 19.2, Adaptive and Assistive Eating Equipment</p> <p>Ch 21, Mental and Emotional Health, Disabilities, and Cognitive Disorders, 21.1, How Can Nursing Assistants Deliver Care After Trauma and Injury?</p> <p>Ch 21, Mental and Emotional Health, Disabilities, and Cognitive Disorders, 21.2, How Can Nursing Assistants Care for Residents with Dementia?</p>

<b>Basic Nursing Skills</b>		
Taking and recording vital signs	291–293  343–352  352–356  356–357	Ch 13, Planning, Observing, and Documenting Care, 13.2, What Are Objective and Subjective Observations? Ch 15, Vital Signs, Height, and Weight, 15.1, How is Temperature Measured? Ch 15, Vital Signs, Height, and Weight, 15.1, What is Pulse? Ch 15, Vital Signs, Height, and Weight, 15.1, What is the Rate of Respiration?
Measuring and recording height and weight	364–369	Ch 15, Vital Signs, Height, and Weight, 15.2, Why is it Important to Measure Height and Weight?
Caring for the resident's environment	396  403	Ch 17, Restful Environment, 17.1, What is the Proper Way to Make a Bed? Ch 17, Restful Environment, 17.1, How Can Nursing Assistants Promote a Healing Environment?
Recognizing abnormal changes in body functioning and the importance of reporting such changes to a supervisor	8  291–292  292–293	Ch 1, The Holistic Nursing Assistant, 1.1, What Are the Responsibilities of a Nursing Assistant? Ch 13, Planning, Observing, and Documenting Care, 13.2, What Are Objective and Subjective Observations? Ch 13, Planning, Observing, and Documenting Care, 13.2, How Does Accurate Reporting Make a Difference in Care?
Freedom from pain	247–249  249–251  543	Ch 10, Diseases, Conditions, and Pain, 10.2, What is Pain? Ch 10, Diseases, Conditions, and Pain, 10.2, What is the Best Way to Observe and Report Pain? Ch 22, End-of-Life Care, 22.1, What Care is Available to Those Who Are Dying?
Care for resident when death is imminent	543–547	Ch 22, End-of-Life Care, 22.1, How Do Nursing Assistants Provide Holistic Care for Those Who Are Dying?
<b>Personal Care Skills</b>		
*Must be taught together		

Overview for personal care	413–414	Ch 18, Personal Hygiene, 18.1, What Are Personal Hygiene and Grooming Responsibilities?
Bathing	415–419; 431–434	Ch 18, Personal Hygiene, 18.1, What Are Personal Hygiene and Grooming Responsibilities?
Grooming	419–424; 428–431	Ch 18, Personal Hygiene, 18.1, What Are Personal Hygiene and Grooming Responsibilities?
Dressing	434–438	Ch 18, Personal Hygiene, 18.1, What Are Personal Hygiene and Grooming Responsibilities?
Toileting	483–489  497–498	Ch 20, Hydration and Elimination, 20.2, How Can Nursing Assistants Help with Urinary Elimination?  Ch 20, Hydration and Elimination, 20.2, How Can Nursing Assistants Help with Bowel Elimination?
*Assisting with eating and hydration	460–461  465–467  467–471	Ch 19, Healthy Eating and Nutritional Challenges, 19.1, What Can Make Mealtimes Enjoyable?  Ch 19, Healthy Eating and Nutritional Challenges, 19.1, What Nutritional Support is Available for Residents?  Ch 19, Healthy Eating and Nutritional Challenges, 19.2, What Are the Nursing Assistant’s Responsibilities in Assisting Residents with Meals?
*Proper feeding techniques	467–471	Ch 19, Healthy Eating and Nutritional Challenges, 19.2, What Are the Nursing Assistant’s Responsibilities in Assisting Residents with Meals?
Skin care and alternations in skin	209  219–221  440–441	Ch 9, The Body’s Anatomy and Physiology, 9.2, How Do Lifestyle Choices and Aging Affect Body Systems?  Ch 10, Diseases, Conditions, and Pain, 10.1, Which Diseases and Conditions Affect the Integumentary System?  Ch 18, Personal Hygiene, 18.2, How Can Nursing Assistants Help Maintain Skin Integrity?

Transfers, positioning, and turning	303–318	Ch 14, Mobility, 14.1, How Should Residents Be Positioned, Turned, Transferred, or Lifted?
Ambulation	319–321 322–327	Ch 14, Mobility, 14.2, How Should a Nursing Assistant Assist with Ambulation? Ch 14, Mobility, 14.2, How Are Assistive Devices Used During Ambulation?
<b>Mental Health and Social Service Needs</b>		
Developmental tasks that occur with the aging process	128  128–130  130  130–131  131–132	Ch 7, Human Behavior, Needs, and Work-Life Balance, 7.1, How Do People Grow and Develop? Ch 7, Human Behavior, Needs, and Work-Life Balance, 7.1, What Are Human Needs? Ch 7, Human Behavior, Needs, and Work-Life Balance, 7.1, How Do People Grow and Develop? Ch 7, Human Behavior, Needs, and Work-Life Balance, 7.1, What is Behavior? Ch 7, Human Behavior, Needs, and Work-Life Balance, 7.1, How Do Generational Differences Affect Behavior and Attitudes?
How to respond to resident behaviors	256–257  260–262  267–268  268–269  269–270  277–278  281–282	Ch 11, Communication and Caring, 11.1, What is Holistic Communication? Ch 11, Communication and Caring, 11.1, How Can Communication Be Improved? Ch 11, Communication and Caring, 11.3, What is Anxiety and How Can It Be Managed? Ch 11, Communication and Caring, 11.3, What is Fear and How Can it Be Overcome? Ch 11, Communication and Caring, 11.3, What Strategies Can Be Used to Manage Anger? Ch 12, Appreciating Diversity, 12.1, What Are Challenges to Appreciating Diversity? Ch 12, Appreciating Diversity, 12.2, How Can a Nursing Assistant Integrate Cross-Cultural Communication into Care?

Modifying aide's behavior in response to resident's behavior	256–257	Ch 11, Communication and Caring, 11.1, What is Holistic Communication?
	260–262	Ch 11, Communication and Caring, 11.1, How Can Communication Be Improved?
	267–268	Ch 11, Communication and Caring, 11.3, What is Anxiety and How Can It Be Managed?
	268–269	Ch 11, Communication and Caring, 11.3, What is Fear and How Can it Be Overcome?
	269–270	Ch 11, Communication and Caring, 11.3, What Strategies Can Be Used to Manage Anger?
	277–278	Ch 12, Appreciating Diversity, 12.1, What Are Challenges to Appreciating Diversity?
	281–282	Ch 12, Appreciating Diversity, 12.2, How Can a Nursing Assistant Integrate Cross-Cultural Communication into Care?
Allowing the resident to make personal choices, providing, and reinforcing other behavior consistent with the resident's dignity	45–46	Ch 3, Legal and Ethical Practice, 3.1, Which Laws and Regulations Affect Nursing Assistants?
	513	Ch 21, Mental and Emotional Health, Disabilities, and Cognitive Disorders, 21.1, What Are Mental and Emotional Health?
	543–547	Ch 22, End-of-Life Care, 22.1, How Do Nursing Assistants Provide Holistic Care for Those Who Are Dying?
Family as a source of emotional support	5	Ch 1, The Holistic Nursing Assistant, 1.1, What Do You Need to Know to Become a Holistic Nursing Assistant?
	14	Ch 1, The Holistic Nursing Assistant, 1.2, What Professional Qualities, Attitudes, and Behaviors are Expected from a Nursing Assistant?
	533–534	Ch 21, Mental and Emotional Health, Disabilities, and Cognitive Disorders, 21.2, How Can Nursing Assistants Care for Residents with Dementia?
	538–539	Ch 22, End-of-Life Care, 22.1, How Do Family Traditions and Spiritual and Religious Beliefs Influence Dying and Death?

	543–544; 546	Ch 22, End-of-Life Care, 22.1, How Do Nursing Assistants Provide Holistic Care for Those Who Are Dying?
<b>Care of Cognitively Impaired Residents</b>		
Techniques for addressing the unique needs and behaviors of individuals with dementia (Alzheimer’s and others)	528–529  532–534	Ch 21, Mental and Emotional Health, Disabilities, and Cognitive Disorders, 21.2, What Is Delirium and What Are Its Challenges?  Ch 21, Mental and Emotional Health, Disabilities, and Cognitive Disorders, 21.2, How Can Nursing Assistants Care for Residents with Dementia?
Communicating with cognitively impaired residents	259  523–524  525–526  528  532–534	Ch 11, Communication and Caring, 11.1, What Are Barriers to Effective Holistic Communication?  Ch 21, Mental and Emotional Health, Disabilities, and Cognitive Disorders, 21.2, How Can Nursing Assistants Help Residents With Speech Impairment or Loss?  Ch 21, Mental and Emotional Health, Disabilities, and Cognitive Disorders, 21.2, What Are Developmental Disabilities?  Ch 21, Mental and Emotional Health, Disabilities, and Cognitive Disorders, 21.2, How Can Nursing Assistants Deliver Care After Trauma and Injury?  Ch 21, Mental and Emotional Health, Disabilities, and Cognitive Disorders, 21.2, How Can Nursing Assistants Care for Residents with Dementia?
Understanding behaviors of cognitively impaired residents	513  513–517	Ch 21, Mental and Emotional Health, Disabilities, and Cognitive Disorders, 21.1, What Are Mental and Emotional Health?  Ch 21, Mental and Emotional Health, Disabilities, and Cognitive Disorders, 21.1, What Are Mental Health Conditions?
Appropriate responses to the behavior of cognitively impaired residents	259–260  260–262	Ch 11, Communication and Caring, 11.1, What Are Barriers to Effective Holistic Communication?

	269  518	Ch 11, Communication and Caring, 11.1, How Can Communication Be Improved? Ch 11, Communication and Caring, 11.3, What Strategies Can Be Used to Manage Anger? Ch 21, Mental and Emotional Health, Disabilities, and Cognitive Disorders, 21.1, What Care is Available for Residents with Mental Health Conditions?
Methods of reducing the effects of cognitive impairments	518	Ch 21, Mental and Emotional Health, Disabilities, and Cognitive Disorders, 21.1, What Care is Available for Residents with Mental Health Conditions?
<b>Basic Restorative Services</b>		
Training the resident in self-care according to the resident's abilities	113  135–136  217  329  337–338  466–467	Ch 6, Holistic Care, 6.1, What Are the Different Types of Care Delivery? Ch 7, Human Behavior, Needs, and Work-Life Balance, 7.2, How Does the Mind-Body-Spirit Connection Influence Caregiving? Ch 10, Diseases, Conditions, and Pain, 10.1, How Can You Help Yourself and Residents Achieve Wellness? Ch 14, Mobility, 14.3, What Are Rehabilitation and Restorative Care? Ch 14, Mobility, 14.3, What Assistive Devices Help Achieve Independent Living? Ch 19, Health Eating and Nutritional Challenges, 19.2, Adaptive and Assistive Eating Equipment
Use of assistive devices in transferring, ambulating, eating and dressing	313–316  319–322  322–327  434–438	Ch 14, Mobility, 14.1, How Should Residents Be Positioned, Turned, Transferred, or Lifted? Ch 14, Mobility, 14.2, How Should a Nursing Assistant Assist with Ambulation? Ch 14, Mobility, 14.2, How Are Assistive Devices Used During Ambulation? Ch 18, Personal Hygiene, 18.1, What Are Personal Hygiene and Grooming Responsibilities?

	466–467  469–471	Ch 19, Health Eating and Nutritional Challenges, 19.2, Adaptive and Assistive Eating Equipment  Ch 19, Healthy Eating and Nutritional Challenges, 19.2, What Are the Nursing Assistant’s Responsibilities in Assisting Residents with Meals?
Maintenance of range of motion	330–337	Ch 14, Mobility, 14.3, What Are Some Ways to Increase Circulation and Exercise?
Proper turning and positioning in bed and chairs	303–318	Ch 14, Mobility, 14.1, How Should Residents Be Positioned, Turned, Transferred, and Lifted?
Bowel and bladder training	507–508	Ch 20, Hydration and Elimination, 20.2, What Are Bladder and Bowel Retraining?
Care and use of prosthetic and orthotic device	337–338       521–522	Ch 14, Mobility, 14.3, What Assistive Devices Help Achieve Independent Living?  Ch 21, Mental and Emotional Health, Disabilities, and Cognitive Disorders, 21.2, How Should Nursing Assistants Assist Residents with Vision Impairment or Loss?
<b>Resident Rights</b>		
Providing privacy and maintenance of confidentiality	44–46   49   295–296	Ch 3, Legal and Ethical Practice, 3.1, Which Laws and Regulations Affect Nursing Assistants?  Ch 3, Legal and Ethical Practice, 3.2, What Does it Mean to Act Ethically?  Ch 13, Planning, Observing, and Documenting Care, 13.3, How Should Healthcare Records Be Handled?
Promoting resident’s rights	44–47   275–276  276–278  279–281	Ch 3, Legal and Ethical Practice, 3.1, Which Laws and Regulations Affect Nursing Assistants?  Ch 12, Appreciating Diversity, 12.1, What is Diversity?  Ch 12, Appreciating Diversity, 12.1, What Are Challenges to Appreciating Diversity?  Ch 12, Appreciating Diversity, 12.2, What Is Cultural Humility?

	281–282	Ch 12, Appreciating Diversity, 12.2, How Can a Nursing Assistant Integrate Cross-Cultural Communication into Care?
Giving assistance in resolving grievances and disputes	45–46	Ch 3, Legal and Ethical Practice, 3.1, Which Laws and Regulations Affect Nursing Assistants?
Providing needed assistance in getting to and participating in resident and family groups and other activities	216–217  533	Ch 10, Diseases, Conditions, and Pain, 10.1, How Can You Help Yourself and Residents Achieve Wellness?  Ch 21, Mental and Emotional Health, Disabilities, and Cognitive Disorders, 21.2, How Can Nursing Assistants Care for Residents With Dementia?
Maintaining care and security of resident's personal possessions	396  403	Ch 17, Restful Environment, 17.1, What is the Proper Way to Make a Bed?  Ch 17, Restful Environment, 17.1, How Can Nursing Assistants Promote a Healing Environment?
Promoting the resident's rights to be free from abuse, mistreatment, and neglect and the need to report any instance of such treatment to appropriate facility staff	42–43  46–47	Ch 3, Legal and Ethical Practice, 3.1, What is the Legal Scope of Practice for Nursing Assistants?  Ch 3, Legal and Ethical Practice, 3.1, Which Laws and Regulations Affect Nursing Assistants?
<b>Supervised Clinical Training</b>		
Training on the resident unit with residents, in a LTC facility, under the direct supervision of an approved nurse aide instructor This training time may be dispersed throughout the program, as appropriate, or performed at the end of all classroom and lab training During this time, the nurse aide student practices, with residents in real situations, the skills learned during the training program, prior to the return demonstration to the program coordinator or primary instructor
