

Correlation of
Modern Cabinetmaking, Molzahn, Umstattd, Davis
(Goodheart-Willcox Publisher ©2023)
 to
SkillsUSA: Cabinetmaking

Goodheart-Willcox is pleased to partner with SkillsUSA by correlating *Modern Cabinetmaking* to their Cabinetmaking contest standards. The purpose of the SkillsUSA Cabinetmaking contest is to evaluate each contestant’s preparation for employment and to recognize outstanding students for excellence and professionalism in the field of cabinetmaking and millwork.

The correlation chart below lists the Standards and Competencies for the SkillsUSA Cabinetmaking contest in the left column. Corresponding content from *Modern Cabinetmaking* that can be used by a student to help achieve the standard and competency is listed in the right column.

Standards and Competencies	Textbook Pages
