Chapter **1**

Agriculture and Society

Lesson **1.1** Agriculture's Impact on Society
Words to Know, page 14
1. D. consumers
2. I. producers
3. E. fiber
4. F. food
5. B. arable land
6. G. natural resource
7. C. commodity
8. H. natural resources management
9. A. agriculture

Know and Understand, page 14
1. In its most basic definition, agriculture is the art and science of cultivating plants, animals, and other life forms for use by humans to sustain life.
2. The amount of land agriculture uses, the economic impact of agricultural industries, and the number of people employed in agriculture worldwide.
3. The relationships allow the agricultural industry to continually produce and distribute goods around the world. By specializing, each sector performs tasks with maximum efficiency, getting products to consumers on a predicted schedule.
4. arable
5. Any five of the following: crops, forests, rangeland, pastures, national parks, and agricultural businesses.
6. B. 10%
7. B. 775 billion
8. C. 140 billion
9. True
10. False
11. Food, fiber, and natural resources.
12. Growing, harvesting, processing, distributing, marketing, and sales.
13. Materials and substances that occur in nature, such as minerals, wood, water, and wildlife; student responses will vary.
14. Producers are those actively involved in raising raw agricultural products. Consumers are those who purchase and use agricultural products.

Presentations for PowerPoint®
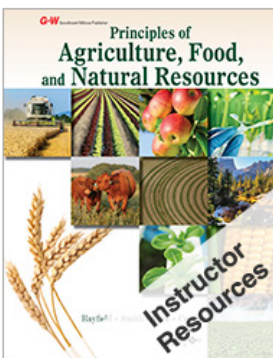

Available for each chapter and fully editable, these presentations engage a variety of learning styles.

Consumer Demands

- A **trend** is a general direction that something is developing or changing

– **Assessment Software & Question Pools**

– **ExamView® Assessment Suite v9.1 Software and Question Bank Files**

The ExamView® Assessment Suite allows you to quickly and easily create, administer, and score paper and online tests. The ExamView® Assessment Suite includes the ExamView® Test Generator, ExamView® Test Manager, and ExamView® Test Player. G-W test banks are installed simultaneously with the software. If you cannot locate the test banks after installation, please refer to the "How do I locate the ExamView® v8.1 or v9.1 test banks on my computer after installation?" FAQ.

📄 Publisher Content License Agreement (PDF, 20 KB)
🗂 Windows Software & Test Banks Download (ZIP, 17 MB)
🗂 Macintosh Software & Test Banks Download (ZIP, 16 MB)

± Blackboard Learn 9.x (For use in Blackboard and Schoology)

– **IMS QTI 1.1+ (For use in Canvas and Brightspace by D2L)**

IMS QTI files are packaged according to the IMS Question and Test Interoperability® specification and can be imported into various Learning Management Systems (LMS). For best results, download these files for use in **Canvas** or **Brightspace by D2L**. Once the question files are imported into an LMS, you may create assessments with the imported questions and distribute them to students with results reported directly to the LMS' gradebook.

🗂 Exam Questions (ZIP, 591 KB)
