

Hands-On Maintenance and Light Repair

How do I bookmark content?

Navigate to the content you would like to bookmark. For more information, see [“How do I preview content?”](#)

Select *Add Bookmark*.

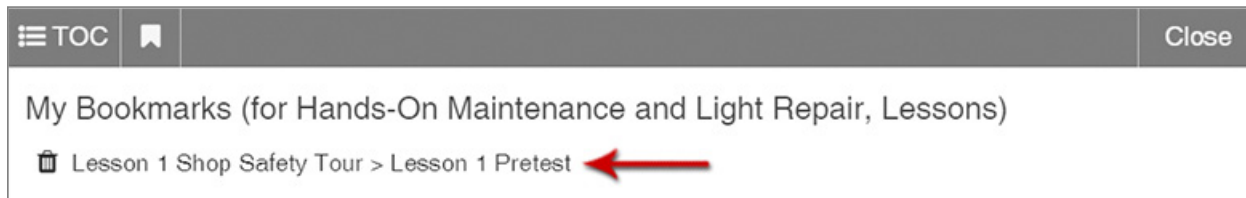

The screenshot shows the 'Lesson 1 Pretest' page. On the left sidebar, under the 'Operations' section, the 'Add Bookmark' button is highlighted with a red box. The main content area displays a question: 'In an automotive repair shop, safety glasses are required ____.' with four radio button options: 'only when power tools are being used', 'when you are waiting in the service lobby', 'whenever you are working in the shop area', and 'only when you are working under a vehicle'. At the bottom right, there is a navigation bar with a 'Next' button and a series of numbered tabs (1-6), with tab 1 being the active page.

To view a list of all your bookmarked content, select the *Bookmark icon* at the top of the page.

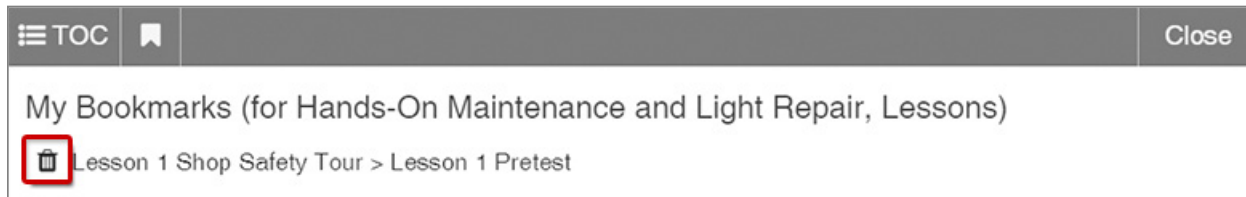

The screenshot shows the top navigation bar of the 'Lesson 1 Pretest' page. The 'Bookmark icon' (a bookmark symbol) is highlighted with a red box.

Access a bookmarked activity by selecting the title.

The screenshot shows the 'My Bookmarks' list. The list title is 'My Bookmarks (for Hands-On Maintenance and Light Repair, Lessons)'. Below it, there is one bookmarked item: 'Lesson 1 Shop Safety Tour > Lesson 1 Pretest'. A red arrow points to the title of this item.

Select the *Delete icon* to remove a bookmark.

The screenshot shows the 'My Bookmarks' list. The 'Delete icon' (a trash can symbol) next to the 'Lesson 1 Shop Safety Tour > Lesson 1 Pretest' item is highlighted with a red box.

To return to the Table of Contents, select *TOC* in the upper-left corner.

The screenshot shows the top navigation bar of the 'Lesson 1 Pretest' page. The 'TOC' button (with a hamburger menu icon) is highlighted with a red box.

To return to the Home page, select *Close*.

The screenshot shows the top navigation bar of the 'Lesson 1 Pretest' page. The 'Close' button is highlighted with a red box.
