

## ***Hands-On Maintenance and Light Repair*** **Instructor Support Documentation**

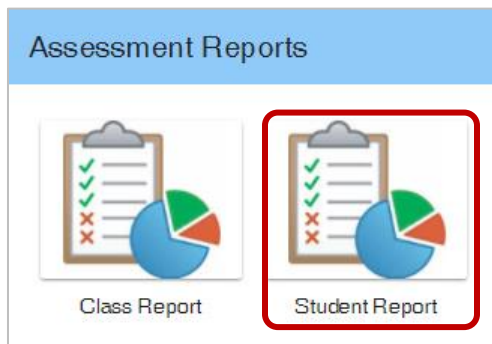

### **How do I view the Student Report?**

The *Student Report* displays the results of all activities for a selected student.

From the top of the Home page, select *Reports*.

Select *Student Report*.

Use the drop-downs at the top of the page to select your *School*, *Class*, and the name of the *Student*.

School:  Class:  Student:

The *Student Report* page will display for the student you selected. Activity names are listed in the *Test* column. Scores for each activity are displayed in the *Score* column. The date the activity was completed is listed in the *Completed Date* column. Activities are sorted based on their completion date.

Student Report | School: GW Demo School | Class: Demo Class | Student: Philips, Richard
