Principles of Human Services, 1st Edition

Principles of Human Services is an introductory text designed specifically for high school students interested in learning about occupations in the field of human services. The text focuses on the five career pathways within the human services career cluster. Human services related careers in food and nutrition, clothing, and housing are also included. This student-friendly text provides insight into the attitudes, attitudes, and skills; education and training; and specialized knowledge needed to succeed in these careers. Students can also discover which careers are expected to experience growth in the future. The text provides built-in opportunities for discussion, higher-order thinking, and
